XConnect Named to the Tech Media Invest 100

***Innovation and Global Success Recognised in Listing in The Guardian
in Association With PricewaterhouseCoopers and Kemp Little***

LONDON, Sept. 21, 2010 – [XConnect](#), the leader in next-generation interconnection and carrier ENUM-registry services, has been named to the [2010 Tech Media Invest 100 \(TMI\)](#), published in *The Guardian* in association with PricewaterhouseCoopers and Kemp Little.

The TMI is a list of today's hottest and most innovative emerging companies in the ever-converging tech and media industries. It showcases high-growth companies that are developing innovative ways to serve businesses and consumers, and have the potential to radically change the shape of the technology and media industry.

“To be selected for the 2010 Tech Media Invest Top 100 list is a tremendous achievement and a testament to the dedication and ingenuity of our team and board,” said XConnect CEO Eli Katz. “The recognition reflects our success in continuing to develop and deliver our world-leading Interconnect 2.0 services, enabling operators worldwide to benefit from scalable, efficient and secure all-IP voice and multimedia communications.”
